The Indiana General Assembly, Indiana Arts Trust, and the National Endowment for the Arts fund this program. Inform your communities and elected officials about the importance of public arts support for the arts and your activities.

The Indiana Arts Commission

On behalf of the people of Indiana, the Indiana Arts Commission (IAC) advocates engagement with the arts to enrich the quality of individual and community life. The IAC encourages the presence of the arts in communities of all sizes while promoting artistic quality and expression. The IAC advocates arts development opportunities across the state, and stewards effective use of public and private resources for the arts. It stimulates public interest in, and participation with, Indiana's diverse arts resources and cultural heritage. The IAC works to enhance public awareness of the arts, life-long learning opportunities, and arts education programs. Governed by a 15-member board of gubernatorial appointees, the IAC serves all citizens and regions of the state.

About the IAP program

The Individual Artist Program (IAP) supports individual artists and specific project-related costs that will have a positive impact on the artist's career. This program is NOT designed for community projects. Applicants should develop a proposal that will enhance their individual development. While some form of public benefit is expected, it should not be the driving force behind this project. (See criteria, page 3)

Conditions and Requirements

Prior to application, it is essential to **understand** ALL of the following requirements. You must be able and willing to fulfill every requirement listed to receive a grant for your application. Failure to do so is a breach of contract with the State of Indiana and may result in application rejection, delay in payment, and/or fund rescindment (http://www.in.gov/arts/2505.htm).

Technology requirements and restrictions
- Must provide current email address;
- Must create and/or update contact information in the IAC's online grants system;
- IAC staff cannot provide advanced technical assistance for personal computer or software-related problems.

Financial/Official form requirements: Grant recipients are required to sign and complete a grant agreement and Vendor Form before payment is issued.
- The grant agreement is the official contract with the IAC and must be procedurally signed and approved by multiple state entities after receipt from the grantee. Read this document carefully as each grantee will be responsible for meeting all the terms and conditions it contains – including its references to these guidelines.

- The vendor form collects taxpayer identification information and direct deposit information as all payments from the State of Indiana are made electronically. A voided check may be used in place of having your bank complete the routing information for your account. To use this option, the name and address listed on the check must match the name and address at the top of the form.

Entity Annual Report (Form E-1)
The Entity Annual Report (Form E-1) is required by the State Board of Accounts. At the end of the grant period, all applicants will be contacted to complete the financial portion of the E-1 Form so it reflects the total amount of state funds received for the fiscal year.

Clearance Check
All grantees must go through a mandatory clearance check to ensure that they are in good standing with the Department of Revenue (DOR) and Department of Workforce Development (DWD). See details here.

E-Verify Memorandum
If you are applying as an individual who also owns a business, you **MUST** comply with the new legislation found here.

Two Public Official Letters: Grantees are required to write at least two letters to their state officials. This includes local, state legislators and/or the Governor to thank them for making these funds available. Grantees will mail one letter to each recipient. The letter should raise awareness of the project that was funded in their community. The grantee will email copies of the original letters to the IAC. The first letter is due with the signed grant agreement; the second copy is due with the Final Report. Click for example.

Acknowledgement and credit of public funding: All Indiana Arts Commission Individual Artist Program (IAP) grantees must credit the Indiana Arts Commission (IAC) and the National Endowment for the Arts (NEA) for funding support by using the logo created specifically for your grant program. **Credit must be given in all publications, promotions, including but not limited to electronic, online and printed materials.** Requirements are documented here on the IAC website for credit on any and all printed documents related to the funded project.

Activity Timeline
Please be advised that the grant period spans the entire 12 month period, but due to time required for state payment processing and reporting, grantees may need to consider how this may impact all activities proposed and plan for reimbursable expenses if necessary. **It could take more than three months from the time the correctly completed forms are submitted until the recipient receives the first payment.** Applicants will be responsible for carrying out activities included in their timeline regardless of funding status.

Project/Grant modification (if change is necessary): During the grant period and PRIOR TO MAKING A CHANGE TO THE PROJECT/GRANT, grantees must notify Susan Britsch at the IAC of any changes that may affect the funded project/grant. A Project Modification Form would be necessary if the change would include budget variance of 10% or any changes from your original proposal regarding personnel, project/grant dates (timeline), or scope of activities, etc. IAC staff will review the changes before giving written approval. *Grantees may be required to return grant money to the IAC if this procedure is not followed.*

Final report: All grantees must submit a completed Final Report and copies of the second letter sent to the legislators by **Tuesday, July 2ⁿᵈ, 2013**. The Final Report is accessible through the IAC online grants system.

Monitoring/records retention and tax responsibilities: Grantees must provide access to any books, records, documents, and papers pertaining to the grant for purposes of program or financial review by the IAC or its agents. Adequate records need to be maintained to substantiate financial and program information reported to the IAC for a period of no fewer than three years. Grantees are responsible for all tax obligations under federal, state, and local laws. Consult a tax accountant or local Internal Revenue Service office. Grant monies cannot be used to pay taxes.

Public manifestation, fair labor, drug free, and civil rights: The electronically-signed Grant Agreement indicates that the organization and its representative understand the detailed information provided at this link and are in compliance with these laws.

Once you have submitted your application you WILL receive an email to that effect. If you do not receive an email, your application was NOT submitted.

Only submit the electronic copy, <u>a "physical" copy is no longer required or accepted</u>. Your online submission indicates your agreement with, and adherence to, this entire document, including its embedded website links

Application Review Process

After receipt of completed application, IAC staff will review your materials to ensure that all required information was submitted. If any discrepancies are found (such as incomplete answers or uploads), your application may be ineligible for review.

The applications will be reviewed by a panel of professional peers who will assist the IAC in its evaluation of grant applications. The panel meeting time and location will be posted on the IAC website. The meeting will be open to the public for observation and may be recorded. **Applicants are invited and are encouraged to attend to hear feedback, the quality of the recorded session is not guaranteed.** <u>Applicants are invited as observers only</u> and cannot lobby or address the panel on behalf of their applications before, during, or after the panel meeting.

Panelists will be responsible for thoroughly reviewing each application and supportive material <u>prior</u> to the panel meeting. Panel meetings will allow for subsequent discussion of the information reviewed and submission of scores.

Following the panel meeting, IAC staff will use a Commission-approved funding formula that takes into consideration the panel's ratings and available funds to determine specific grant recommendations.

The IAC will review and ratify the FY2013 IAP recommendations at its June 2012 business meeting. Commission meetings are open to the public for observation and may be recorded.

Reconsideration Policy and Appeal Process: The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel's choices/judgment over the original panel's decision. Dissatisfaction with the denial of a grant or the amount of an award is not sufficient reason for an appeal. Click here for more information.

What Happens after a Grant is Awarded?

All applicants will be notified by email of grant decisions after the Commission meets in June and approves the grants. If funded, the organization will receive copies of its award letter, grant agreement, vendor form, and other pertinent materials. These materials will need to be thoroughly reviewed, signed, and returned to the Indiana Arts Commission within **ten business days**. For more information about required forms, please visit our website.

All payments are contingent upon adherence to all grant guidelines and reporting requirements. The first grant payment will be for 75% of the total award. Funds will be transferred to the grantee's bank account after the grant agreement and aforementioned documents have been approved by all three state agencies. The second and final grant payment will be for 25% of the total award. Funds will be transferred to the grantee's bank account after the final grant report and remaining legislator letters have been submitted and approved.

Due to the approval process and oversight in place by various agencies in state government, payment may be delayed. **It generally takes approximately three months from the time the correctly completed forms are submitted until the recipient receives the first payment. BE PREPARED TO WAIT LONGER IN SOME CASES. Due to this delay, grantees are STRONGLY encouraged to consider the possible deposit delay in their timeline. Grantees should plan to reimburse themselves for any expenses incurred before deposit is received.**

If the grantee fails to comply with the contract, reporting, logo, or the letter to elected officials requirement, the IAC may rescind the entire grant amount and this may jeopardize future grants from the Indiana Arts Commission.
